Submission instruction

- You should submit two types of abstracts, one is the original abstract with the list of authors, and the other is the review version abstract without the list of authors.
- The templates for the two types of abstracts are per below.

Template 1 (Abstracts with the list of authors)

ABSTRACT TITLE

List of authors

First Author[1], Second Author[2]*, Third Author[3], ...

Authors' affiliations
[1]First Author's affiliation
[2]Second Author's affiliation
[3]Third Author's affiliation

Corresponding author's e-mail address

The body of your abstract begins here. The abstract should be a concise summary of your research article. It should be typed single-spaced in 11 pt. Arial. Be sure to adhere to the word limitation (300 words). The abstract must be written in one single paragraph and state the objective of research, short methodology, and research output as well as final conclusion. For work in progress, you should clearly state the potential impact of your study and indicate when the result will be available. Abstract document (doc or docx format) should be submitted via online submission or if you are experiencing any problem, the abstract can also be submitted as an email attachment to **htasialink2022@hitap.net**.

Word counts: 300

Keywords: Please provide 3-5 keywords here

Template 2 (Abstracts <mark>without</mark> the list of authors)
